

## RBI Fellowship Students--Annual Report of Progress

*TO: Faculty and Students:*

*This form is used to document continuing satisfactory progress, a condition of RBI Fellowship funding renewal. The report is due on May 31 of each year as an editable Word document (to enable transfer to a database) to RBI interim director Carson Meredith ([cmeredith@rbi.gatech.edu](mailto:cmeredith@rbi.gatech.edu)), cc Dione Morton ([dione.morton@rbi.gatech.edu](mailto:dione.morton@rbi.gatech.edu)).*

Research Title \_\_\_\_\_

Date \_\_\_\_\_

Suggested keywords for search capability \_\_\_\_\_

Student Name \_\_\_\_\_

Faculty Advisor(s) \_\_\_\_\_ School \_\_\_\_\_

Objectives and milestones identified in original proposal \_\_\_\_\_

Milestones achieved in previous year (since June 1/last report) \_\_\_\_\_

Highlights of student academic achievements (examples: completed coursework; passed qualifiers; proposal accepted....) \_\_\_\_\_

Findings and implications of research to date (*What do the results mean? How might they be useful?*) \_\_\_\_\_

Publications and presentations this year [*Please provide complete citation*] \_\_\_\_\_

Student engagement in manufacturing and the industry during this year (Please provide dates, venues, locations...  
Examples: Attendance at conferences; visits to manufacturing or company headquarters sites; participation in poster sessions...)

Would it help you to work with an industry mentor? What help would you like? (Determining and maintaining relevance and applications; overcoming experimental challenges; outreach to potentially interested sponsors....)

Leverage of this fellowship: Please state how this funding was used to attract additional funding, or plans to do so in the future (example: matching funds for a Federal or other grant proposal; potential use of project data to support application for any external funding) \_\_\_\_\_

Plans for upcoming year \_\_\_\_\_
