

ATL CleanTech Connect

Decarbonization of the Built Environment

Atlanta's Cleantech Community
is Growing Fast.

We meet quarterly to educate and collaborate on efforts designed to build one, integrated, and impactful cleantech launch ecosystem across greater Atlanta. With time to network and build important relationships, the power of whole is made greater by the diverse talents and passions of the participants. Come be a part of it!

Date: July 17, 2024, 4 - 6pm

Location: The Clubhouse @ Tech Square
(848 Spring Street NW, Atlanta)

Featured Speakers Include:

- Sandeep Ahuja, Cove.Tool, Co-founder, CEO
- Sam Culpepper, Southface, Program Manager, Design Consulting
- Ramtin Motahar, Joulea, Founder, CEO
- Tarek Rakha, Lammar.AI, Co-founder, CEO

Panel Moderated by Andy Marshall,
Managing Director, Georgia Cleantech
Innovation Hub
