All workshops/sessions are mandatory. ENGAGES students are expected to participate and attend the entire time block for workshop sessions and presentations. Plan your schedules accordingly. Make sure you have your laptops.

It is mandatory to attend and participate in the Senior Celebration. The official date is TBD between April 28 or May 5, 2025.

****Optional – You are not required to attend or present at the Afro Biotech conference. However, it is a great way to make up work hours and an excellent experience and opportunity.**

School breaks (Winter Break, Spring Break, Teacher Professional Learning Days) can be used to make up hours if you fall behind if Georgia Tech is open, and your mentor agrees.

ENGAGES Scholars and Mentors, meetings can be scheduled by appointment: email Dr. Michael J. Glenn, Michael.glenn@ibb.gatech.edu
